Claims 1 – 5, 7, 10-12, 14 – 15 are rejected under 35 USC Sec. 102(b) over Heller for the reasons of record given at page 2 of the previous Office action (incorporated herein by reference).

Claim 6 is rejected under 35 USC Sec. 103(a) over Heller and '309 for the reasons of record given at pages 2 – 3 of the previous Office action (incorporated herein by reference).

Claims 8, 9, 13 are rejected under 35 USC Sec. 103(a) over Heller for the reasons of record given at page 3 of the previous Office action (incorporated herein by reference).

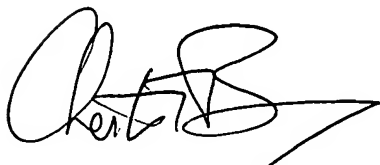

Applicant's arguments filed 3/6/06 have been fully considered but they are not persuasive. Applicant argues the "microorganisms . . . bacteria interact" limitation of claim 1. The specific interaction set forth in the present specification at page 4 lines 22 – 32 is nowhere recited in the claims. Therefore, the interaction between Heller's photosynthetic bacteria and luminous bacteria, e.g., physical contact, consumption of nutrients from a common nutrient broth or solution, etc., is sufficient to meet the "interact" limitation of claim 1. Applicant also argue that Heller does not describe a "solution" of a mixed culture. It is inherent that Heller's mixed culture is a solution at some level even if some portions of the mixture are not fully miscible.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within

Art Unit: 1724

TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
